115/230V ±10%, 50/60Hz

Power Consumption:

5W (115VAC)
 6W (230VAC)

Operating Temperature:

23°F to 104°F (-5°C to 40°C)

Classification:

NTEP CC 98-001, UL listed

Warranty:

One-year limited warranty

Ishida NOVA-II

Price Computing Scale

The Ishida NOVA-II retail scale provides 1/3000 accuracy for high precision performance. NTEP Certified, this versatile scale offers an operator display as well as a convenient customer display. The compact design maximizes work space and advanced function keys simplify calculations.

Easy to use, the NOVA-II provides one-touch zero adjustment and tare selection. The “SAVE” key stores tare and unit prices until new values are entered. Convenient preset keys store up to 15 unit prices or tares.

Standard Features

- Advanced computing functions
- Compact design
- Easy-to-read fluorescent displays
- Customer display on rear of unit
- High accuracy
- Platform dimensions: 9.6in x 13.8in
- Computes customer's change
