

Ishida SR-2000a

Price Computing Scale/Printer/Color Touchscreen

Networking capabilities along with a large color touchscreen, user selectable visuals and simple programming make the Ishida SR-2000a ideal for busy retailers.

The SR-2000a is completely customizable for any retail environment. Its intuitive user interface takes the guess-work out of operation.

Front-loading label cassettes and ultra-fast printing speed increases customer throughput. With the SR-2000a, simply see it, select it and sell it!

Optional wireless communication allows flexible placement of the SR-2000a for maximum productivity.
